Comment Text :

1 [--->I am vehemently against the transporting of nuclear waste on rails or roads through and across the country.] I find it particularly hazardous since I live very close to

/

an interstate. DO NOT be moving hazardous materials - there is a huge risk for people to be injured and for a catastrophe to occur.

2

[I am concerned that this project appears to be very short-sighted and what about future generations - to the seventh generation, will there be harm? Of course there will! Stop thkis foolishness now.]

~~~~~
